For the attention of Toni

Dear Toni,

Just a few lines to thank you very much indeed for your fantastic presentation of the Fun Racing Night at the Clifton Cricket Club last Saturday night.

I have had nothing but praise for the evening from our gang and what's more interesting, is also from many of the visitors and friends of our members families some of whom had never been to a race night and they just loved it.

So full marks to you my love, for your energy and personality which made the evening so successful and all indications are that a figure in excess of £ 700.00 will have been raised for our Main Charity (M.N.D.) which will go a long way to achieving our target figures for coming year.

Thanks again for a wonderful evening

Yours sincerely

Eddie Paul
President
